FOGGING SCHEDULE FOR AUGUST 25TH & 26TH 2021

The Ministry of Health, Wellness and the Environment wishes to advise the general public that as part of its mosquito control programme for the adult *Aedes aegypti* mosquito, the Insect Vector Control Unit will be conducting fogging operations in the following areas commencing at **5:00 pm** daily on the island of St. Vincent.

Wednesday, 25th August 2021 – Ottley Hall, Green Hill, Chauncey, Yambou, Old Sandy, Dickson and Belle Isles

Thursday, 26th August 2021 – Ottley Hall, Lodge Village, Vermont, Carrierre, New Sandy, Dickson and Fitz Hughes

Please take note of the following:

- Home and business owners in the named areas are reminded to keep their windows and doors open to allow the fog to take effect.
- Motorists are kindly asked to take caution.
- Persons who are suffering from any respiratory illnesses are kindly asked to take the necessary precautionary measures.
- Residents are also encouraged to prevent the breeding of mosquitoes in their yard and to protect themselves from mosquito bites during the day.
- Please note adverse weather conditions can affect fogging operations.
