FOGGING SCHEDULE FOR 8TH- 10TH DECEMBER 2020

Public Service Announcement - St. Vincent & the Grenadines

The Ministry of Health, Wellness and the Environment wishes to advise the general public that as part of its mosquito control programme for the adult *Aedes aegypti* mosquito, the Insect Vector Control Unit will be conducting fogging operations in Bequia commencing on 8th December, 2020. The names of villages and the date when fogging operations will take place are as follows:

Hamilton and O'car – **Tuesday**, 8th December 2020

Cemetery Hill and Port Elizabeth – **Wednesday**, 9th December 2020

Derrick Hill and Broad Road – **Thursday**, 10th December 2020

Please take note of the following:

- Persons who are suffering from any respiratory illnesses are kindly asked to take the necessary precautionary measures.
- Home and business owners in the named areas are reminded to keep their windows and doors open to allow the fog to eliminate the adult mosquitoes inside the home.
- Motorists are kindly asked to take caution.
- Residents are also encouraged to prevent the breeding of mosquitoes in their yard and to protect themselves from mosquito bites during the day.
