**STATEMENT ON THE DELAY IN AVAILABILITY OF
COVID-19 PCR RESULTS**

The Ministry of Health, Wellness and the Environment wishes to advise the public that as a result of the ongoing extensive contact tracing and testing for COVID-19, the Molecular Laboratory Unit of the Laboratory Services Programme is currently experiencing a delay in the issuance of COVID-19 PCR test results.

Persons who have been asked to quarantine or isolate while waiting for COVID-19 PCR results should remain in quarantine or isolation until notified of your results.

Our team is working diligently to resolve the issue. We ask for your patience. Any inconvenience is regretted.
