**Capacity Building for Health Care Workers**

Next Monday, several Health Workers will be exposed to one week of surveillance training organized by the Pan American Health Organisation (PAHO) and the World Health Organization (WHO). The workshop is geared at strengthening ESAVI national surveillance capacities, using regional and global standards as a reference and using tools from epidemiology, data management and analysis, communication and case studies to be developed during the programme.

To this end, the Ministry of Health, Wellness and the Environment wish to extend an invitation for your media house to provide coverage of the opening ceremony. The training will take place on Monday March 6, 2023 at the Beachcombers Hotel Conference Room. The opening ceremony will commence from 8:30- 9:00 a.m.

Grateful if you can attend.
