HEALTH SERVICES SUBCOMMITTEE

**PROTOCOL FOR THE ENTRY OF FULLY VACCINATED TRAVELLERS TO ST.
VINCENT AND THE GRENADINES – revised 10/08/2021**

AIM: The safe entry of travellers to St. Vincent and the Grenadines in a manner that reduces the risk of the importation and subsequent transmission of COVID-19 in St. Vincent and the Grenadines.

OBJECTIVES:

1. To establish the risk of the arriving traveller introducing new COVID-19 cases to SVG;
2. To minimize exposure of residents of SVG to new COVID-19 cases;
3. Early identification of potential exposure to COVID-19 and
4. Early containment of new COVID-19 cases.

ESTABLISH RISK OF ARRIVING TRAVELLER:

The arriving traveller will:

1. Complete the Pre-Arrival Form available at health.gov.vc

And the Port Health Officer will:

1. Review Port Health form for each arriving passenger.

PHASED PROCESS OF ENTRY OF FULLY VACCINATED TRAVELERS TO ST. VINCENT AND THE GRENADINES:

5. High risk occupations include:

- a. Canadian Farm Workers
- b. Crew members (persons **coming from** a sailing vessel)
- c. Oil Rig workers
- d. Health Care Workers (current)
- e. Prison/Detention Facility Workers.

6. In-transit Passengers:

- a. Through St. Vincent and the Grenadines:
 - i. Must have a negative COVID-19 PCR test result done within **72 hours of arrival.**
 - ii. If the in-transit period does not include an over-night stay, that period must be spent at the Argyle International Airport.
 - iii. If the in-transit period includes an over-night stay, that period must be spent in a TA/MOHWE approved hotel.
- b. Travellers intending to transit through another country from St. Vincent and the Grenadines are advised to visit the country's travel website to determine the requirements for travel. For
 - i. Grenada - <https://www.nowgrenada.com/2020/07/protocol-for-travellers-into-grenada/>
 - ii. Antigua - <https://visitantiguabarbuda.com/travel-advisory/>
 - iii. Barbados - <https://www.visitbarbados.org/covid-19-travel-guidelines-2020>
 - iv. St. Lucia - <https://www.stlucia.org/en/covid-19/>

7. Diplomats:

- a. Must have a negative PCR COVID-19 test result done within 72 hours of arrival.
- b. ALL Diplomats must quarantine for the duration of time as per the approved protocols. The site of quarantine will be at the discretion of the Chief Medical Officer or the Medical Officer of Health.

8. Minors as travelers:

- a. **Persons under the age of 18 years are considered minors.**
- b. **Shall follow the protocol applied to their parent or guardian.**
- c. **When traveling alone will quarantine with a guardian in a private residence for the period as determined by their country of origin and their vaccination status.**

PROCESS ON ARRIVAL:

ARRIVAL ASSESSMENT:

- a. Review of online pre-arrival form.

ESTABLISH SARS-COV-2/COVID-19 STATUS:

- a. Approval of SARS-CoV-2 test result by Port Health Team.
- b. Collection of a nasal swab specimen for a COVID-19 PCR test from all qualifying disembarking travellers.
- c. All travellers will be assessed by the Port Health Officers to determine their final level of risk and the length of mandatory quarantine required.
- d. All travellers will be required to monitor their temperatures and other symptoms for the next 10 days and report any abnormalities to the local health authority.
- e. All travellers with a positive COVID-19 PCR test result will be isolated in an approved accommodation/facility at the traveller's own cost.

REQUIREMENTS OF DISCHARGE FROM QUARANTINE:

1. Objective measures:
 - a. Negative PCR Test
 - b. Not a close contact of a positive COVID-19 case.
2. Subjective measures:
 - a. Absence of signs and symptoms of COVID-19.
3. Not determined to be at high risk for being exposed to COVID-19

Please note that this protocol is prepared by the Health Services Subcommittee of the National Emergency Committee/COVID-19 Task Force and may be revised at any time at the discretion of the Health Services Subcommittee.
