FOGGING SCHEDULE FOR 15TH- 18TH FEBRUARY 2021

The Ministry of Health, Wellness and the Environment wishes to advise the general public that as part of its mosquito control programme for the adult *Aedesaegypti* mosquito, the Insect Vector Control Unit will be conducting fogging operations in the following areas commencing at **5:00 pm** daily.

Monday, 15th February 2021 - Kingstown (port), Campden Park (Port), Belle Isles, La Croix, Akers, Biabou & Fancy

Tuesday, 16th February 2021 - Richmond, Rockies, Lowmans, Belmont, South wood & Owia

Wednesday, 17th February 2021 - Cane Hall, Questelles, Fairbane Pasture, Cedars & Point

Thursday, 18th February 2021 - Dorsetshire Hill, Sion Hill, Clare Valley, Fountain, Peruvian Vale & Old Sandy Bay

Please take note of the following:

- Home and business owners in the named areas are reminded to keep their windows and doors open to allow the fog to eliminate the adult mosquitoes inside the home.
- Motorists are kindly asked to take caution.
- Persons who are suffering from any respiratory illnesses are kindly asked to take the necessary precautionary measures.
- Residents are also encouraged to prevent the breeding of mosquitoes in their yard and to protect themselves from mosquito bites during the day.

- Please note adverse weather conditions can affect fogging operations.
