FOGGING SCHEDULE FOR 26TH & 27TH MAY 2021

The Ministry of Health, Wellness and the Environment wishes to advise the general public that as part of its mosquito control programme for the adult *Aedes aegypti* mosquito, the Insect Vector Control Unit will be conducting fogging operations in the following areas on Union Island commencing at **5:00 am** daily.

Wednesday, 26th May 2021 - Valley

Thursday, 27th May 2021 - Chatham, Richmond & Big Sand

Please take note of the following:

- Home and business owners in the named areas are reminded to keep their windows and doors open to allow the fog to take effect.
- Motorists are kindly asked to take caution.
- Persons who are suffering from any respiratory illnesses are kindly asked to take the necessary precautionary measures.
- Residents are also encouraged to prevent the breeding of mosquitoes in their yard and to protect themselves from mosquito bites during the day.
- Please note adverse weather conditions can affect fogging operations.
