FOGGING SCHEDULE FOR 5TH & 6TH AUGUST 2020

Public Service Announcement - St. Vincent & the Grenadines

The Ministry of Health, Wellness and the Environment wishes to advise the general public that as part of its mosquito control programme for the adult *Aedes aegypti* mosquito, the Insect Vector Control Unit will be conducting fogging operations in the following areas commencing 5:30 pm daily.

Monday, 5th August 2020 - Buccament & Vermont

Tuesday, 6th August 2020 - Diamond Village

Home and business owners in the named areas are reminded to keep their windows and doors open to allow the fog to eliminate adult mosquitoes inside the house.

Motorists are kindly asked to take caution.

Persons who are suffering from any respiratory illnesses are kindly asked to take the necessary precautionary measures.

Residents are also encouraged to prevent mosquitoes breeding in their yard and to protect themselves and their family from mosquito bites during the day, early morning and early evening.
