PRESS RELEASE

FOR IMMEDIATE RELEASE

August 22nd, 2021

Contact: Chief Medical Officer, Chair
Health Services Subcommittee
National Emergency Committee

Kingstown, St. Vincent and the Grenadines

NO NEW COVID-19 CASES

No new COVID-19 positive cases were reported from three hundred and thirty-seven (337) samples processed on Thursday August 19th, 2021.

Eleven (11) new recoveries were noted over the reporting period. Thirty-six (36) cases are currently active and twelve (12) persons with COVID-19 have died. Two thousand three hundred and twenty (2320) cases of COVID-19 and two thousand, two hundred and seventy-two (2272) recoveries have been recorded in St. Vincent and the Grenadines since March 2020.

In view of the increased risk of infection with and subsequent transmission of COVID-19 posed by the growing incidence of variants of concern in persons entering St. Vincent and the Grenadines, strict compliance with all protocols and recommendations including the effective use of masks, physical distancing, hand sanitizing and immunization with the available vaccines is strongly recommended.
