FOGGING SCHEDULE FOR 10TH JUNE 2024

The Ministry of Health, Wellness and the Environment wishes to advise the general public that as part of its mosquito control programme, officers within the Insect Vector Control Unit will conduct fogging operations on the following days and places, beginning at 5.30pm.

Monday 10th June, 2024 – Buccament, Arnos Vale, Walvaroo (Sion Hill School area).

Please take note of the following:

- Home and business owners in the named areas are reminded to keep their windows and doors open to allow the fog to take effect.
- Motorists are kindly asked to take caution.
- Persons who are suffering from any respiratory illnesses are kindly asked to take the necessary precautionary measures.
- Residents are also encouraged to prevent the breeding of mosquitoes in their yard and to protect themselves from mosquito bites during the day.
- Members of the public are reminded that the completion of the scheduled fogging activities may be affected by events beyond the control of the Unit. In such circumstances, the Unit will return to the scheduled communities as soon as possible.
