An official handing over of Medical supplies at the Stubbs Polyclinic was held today Tuesday 13th May, 2025 to support ongoing healthcare services and enhance patient care delivery in St. Vincent and the Grenadines.

The items, valued at over US\$26,000, were handed over by Robert McBarnett, Founder and President of the St. Mathias Charities Inc, a US based organization.

On hand to receive the items was Permanent Secretary in the Ministry of Health Nerissa Gittens, who said the Ministry was grateful for the contribution and thanked McBarnett for the generous donation stating, “We need as much assistance we can possibly get and for that reason we say thank you to this organization for always and continuing to assist the Ministry of Health with medical supplies”.
