

**MINISTRY OF HEALTH,
WELLNESS AND THE
ENVIRONMENT**

Ministerial Building, Kingstown,
Saint Vincent and the Grenadines

PRESS RELEASE

FOR IMMEDIATE RELEASE

Wednesday 27th September, 2023

Contact: Permanent Secretary

Kingstown, St. Vincent and the Grenadines

The Ministry of Health, Wellness and the Environment is urging the general public to “Wear Blue” on Friday September 29th, 2023. As we seek to bring awareness to Prostate Cancer. The aim is to impress upon Vincentian men 40 years and older to get screened for prostate cancer rather than waiting on the signs and symptoms.

Prostate cancer is one of the leading causes of cancer death in St Vincent and the Grenadines and early detection is key to giving men a fighting chance. While we take this time to honor the lives ended too soon, we must act now by redoubling our efforts to end prostate cancer as we know it.

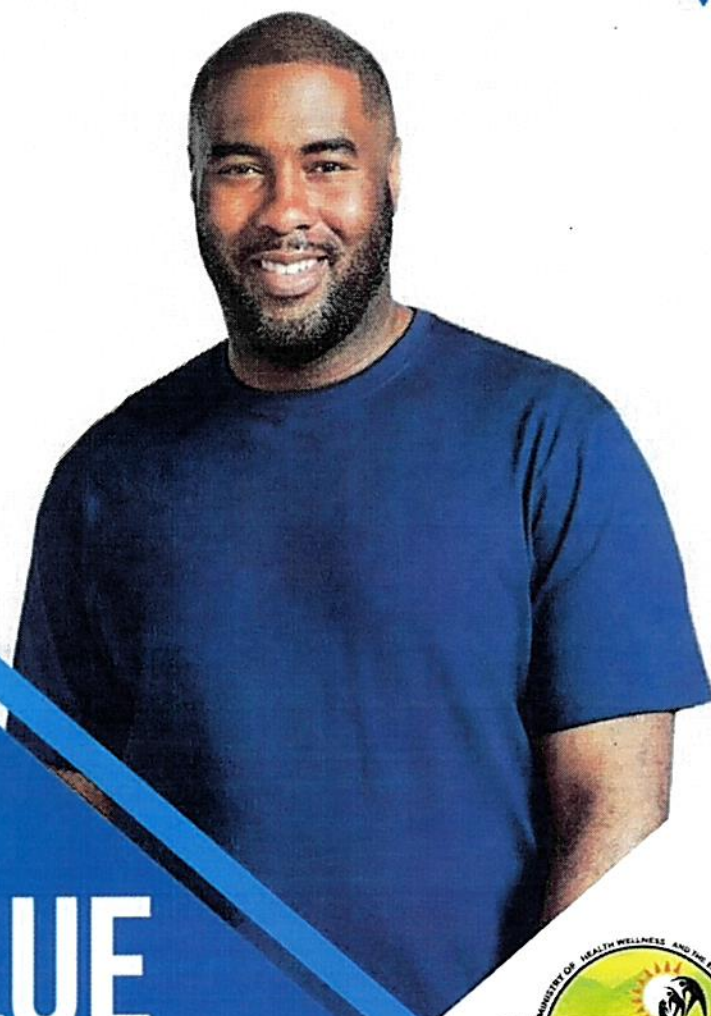

The Ministry is encouraging all Vincentian male who are at greater risk, or those 40 years and older, to visit their nearest health center or private physician and ask about prostate cancer screening.
